View Your COVID-19 Antibody Results

Note: The following instructions are for computer/laptop use.

1. Go to https://www.vitalant.org. Then go to the top right-hand corner and click the “Your Location” edit link. NOTE: to skip steps 1-3 and go directly to your donor portal, click the appropriate link: IL and surrounding areas: https://donateblood.lifesource.org; PA and surrounding areas: https://donateblood.centralbloodbank.org

2. A pop-up should occur; enter your zip code and click “submit.”

3. The page should refresh and you should see your zip code location displayed in the top right corner. Click “Log In.”
4. You will be directed to the Donor Portal page. Select “Donor Login.” (If you have not created an account previously, select “Create Login” and follow the prompts to create a donor account.)

Note: You must wait until the day after your appointment to create your new account.

5. Log in using your Donor ID and password. If you’ve forgotten your ID and/or Password, click the appropriate link to retrieve your ID or reset your password.

6. Once you log in, select “Wellness” and your COVID-19 Antibody results (either “positive” or “negative”) will display in the far right column of the table. Click the orange ‘?’ button for more information.

Note: Your COVID-19 Antibody Test results may take approximately 2-3 weeks to be available.
