

# PLEASE READ: BLOOD DONOR & VISITOR SCREENING

**Welcome! The health and wellbeing of our guests are our top priority. Please read below.**

**Please do NOT come in to donate or otherwise visit the premises today if in the last 10 days you:**

- Had symptoms from a test-diagnosed or suspected COVID-19 infection
- Have a pending COVID-19 test that is not for travel or social gathering clearance.

**Please do NOT come in to donate or otherwise visit the premises today if you have been advised per current Centers for Disease Control and Prevention (CDC) guidance to quarantine because you:**

- Live with or have been in close contact with individuals diagnosed with or suspected of having COVID-19 infection.
- Are a health care worker who has been caring for a patient diagnosed with or suspected of having COVID-19 and have not consistently been able to use recommended personal protective equipment (face mask, gown and gloves).

## **What are COVID-19 and its symptoms?**

COVID-19 is the disease caused by the SARS-CoV-2 coronavirus. The CDC has listed several classical symptoms of COVID-19 infection which include:

- Fever and/or chills
- Cough
- Shortness of breath or difficulty breathing
- Muscle and body aches
- Sudden loss of taste or smell
